SEPTEMBER 2015

Issue No 129

The Gayton News thanks both the Gayton Village Hall Committee and Gayton Parish Council for their much needed donations towards the cost of publishing our quarterly Gayton News. Thank you very much.

On Monday 14 September Gayton Parish Council welcomed 3 new Councillors, bringing us up to a full quota. We welcome Julie Wood, Sam Fitzgerald & Carl Hamilton, we look forward to their added contribution to the running of our village.

District Councillors Ann Addison & myself, Karen Cooper had a quiet summer looking after our Ward of Harpole & Grange, which includes Gayton, Kislingbury, Rothersthorpe, Milton Malsor & Harpole. We attended the VJ Celebration hosted by the Chairman of the Council, Roger Clarke in the Council Chamber at The Forum, South Northants Councils new Offices. Some 70 veterans were invited, we served them tea, sandwiches & cake and we sang war time songs and heard of the veteran's war time memories. As always we give our thanks and appreciation to the war time veterans and their families.

If there is anything you need assistance with, if you have any questions or concerns please do contact us.

Cllr Karen Cooper karencooper@mortimers.uk.com 07753 638180

Cllr Ann Addison a_addison@btinternet.com 01604 858226

On behalf of everyone in the village who knows Barry & Wendy Steer I send very warm wishes to them, their daughter and future son-in-law & all their family & friends. Their daughter Jenny, who lived in Gayton from 4 years old and attended Campion School is marrying David Chapman on Friday 25 September at 2 O'clock in Gayton's St Marys Church.

Jenny is very artistic, she trained as a Graphic Designer and has worked for many large companies in London. Jenny and David live in Welwyn in Hertfordshire, their honey moon will be in Mauritius & Reunion, 2 beautiful islands in the Indian Ocean. We wish them a truly wonderful day and life together.

Very best wishes Karen

Gayton Church Heritage Trust

The Church will have undergone its five yearly inspection and report on the state of the building by the time this edition of the Gayton News is delivered. We will know then how much there is to do in the way of repairs and possibly some ideas from the Architect of improvements that might be undertaken to maximise the use of the building.

In July John Shaw organised the twelfth and sadly the last of the very successful, 'Jazz in the Church', evenings. These concerts have been immensely popular and have raised between £13,000 & £14,000, which is incredible. GCHT is deeply indebted to him and to Lois for all their hard work and skill in attracting top jazz musicians to Gayton. The money raised has helped hugely towards paying for the facilities we now enjoy in the church. It also demonstrated to the Grant giving bodies that the Trust was credible and capable of raising our own funds and worthy of support in our efforts to maintain and enhance the church building.

Thanks to being prompted by Viv Watterson to apply, GCHT have been fortunate in getting a small grant from South Northants New Homes Bonus Scheme of £4,000 to pay for some draft proofing measures in the church tower, ringing chamber and other essential repairs, which hopefully can be completed before the winter.

In December the Northants Touring Arts will be coming to Gayton with the New Perspectives Theatre Company who will be performing a Christmas who done it 'He wore a Red Hat'. They are booked for Sunday 6th December in the afternoon. Please do contact me for tickets and

further information. These shows are subsidised through the South Northants Arts funding budget and I would love to put on more as they really are very good and affordable and a way of raising money from a wider audience than from relying always on the village. I have just looked on the Touring Arts website to see what is on. Piva who came to Gayton last year are performing 'Music from Shakespeare's time' at various venues in the Autumn and another amazing sounding 'Gypsy Group', who play and talk about Balkan Music and poetry, but sadly we don't have an opportunity this year to fit them in as our calendar of events is full. However I am looking to replace 'Jazz in the Church' with other concerts for next year with the aim of continuing the level of fundraising that John has been so successful in doing until now. If any family or any one is interested in helping or have ideas for things that might be popular in the village for next year's calendar of events then please contact me. Anna Fox e-mail anna@foxfam.demon.co.uk

November will see the completion of a wall hanging and a booklet with the information gathered as a result of the WWI exhibition in the church last year.

GAYTON WALKERS

A group of us still meet on the 2nd Sunday of the month to explore the footpaths of the area. Recently, we have walked along the canal to Blisworth and back across the fields, taking our life in our hands crossing the A43. Another walk started in Nether Heyford along the canal towards the A5 then back through Flore to Nether Heyford, rehydrating at The Olde Sun Inn. The last one started at The Wharf, Bugbrooke along the canal, over the railway line to Eastcote, Pattishall and back under the wonderfully engineered bridges of the canal and railway for a well-earned drink/lunch.

We would welcome some new people with or without dogs. Our dog would welcome some new friends!

We meet at Fiveways crossroads at **10am** on the **2nd Sunday of the month.**

For more information, contact me, Robin Kelso on **01604 857585.**

The Harvest Supper and Quiz
Saturday 3rd October at 7pm
at Gayton Village Hall

The Harvest Supper & Quiz evening was very successful last year. This October brings the same Quiz Master in Hilary Aslett. We will be serving supper of chilli con carne (plus a vegetarian option) and dessert.

Please let me know if you would like tickets. You are welcome to bring your own team but otherwise teams will be formed on the night.

Can you volunteer to help with the cooking. We will need portions of chilli (recipe supplied) and puddings. We also need helpers to clear up afterwards.

Many, many thanks.

Alison Foster

From the Priest-in-Charge

Rites of passage have figured prominently in the benefice over the last few weeks. During July and August we had more funerals than we've had for the rest of the year put together but, at the opposite end of life's span we've had two baptisms and are due two more (one of three children); and in between we have three more weddings to look forward to before the end of the year.

Rites of passage encompass the whole spectrum of emotions from complete sadness and feeling of bereftness to memories of joy and laughter as we recount incidents, many long forgotten, that we shared with our now departed loved ones. In baptism we share the excitement and joy of, mostly, new parents and we remember baptisms of siblings; we choose carefully (most of the time!) those we particularly want to share in the child's upbringing and development as we decide on godparents and we start the nurturing process of those older people who come to us for baptism. Wedding couples can be excited, nervous, almost overwhelmed to begin with but it is such a joy to work with them in the months leading up to their big day (and for me, it is an even bigger joy when, later, they ask me if I can baptise their children!). Yes, rites of passage cross all generations. They can be exhausting both physically and mentally but they are definitely a major part of the church's witness in our communities.

And what a role model we have – Jesus. In the gospels we encounter Jesus in rites of passage - mourning the death of his friend, raising a child back to life, encouraging the children to be brought to him for blessing, attending a wedding (and preaching a parable about another one). Jesus, our fully human and fully divine Saviour, knew and knows all about rites of passage and all the emotions surrounding them.

Rites of passage are a natural part of our existence as are the seasons, which in some ways emulate our experiences. In spring we think about new life from seeds etc and at this time of year we think about the completion of the cycle – harvest. Each of our four churches will be celebrating harvest in some way – check the service rota and what's on. Our schools also will be celebrating harvest either in church or at school – check with the schools for dates and times.

God is SO good; he gives us so much more than we desire, need or actually want; he supports us through each and every stage of our life. Isn't it right that we give him thanks and praise through our rites of passage services and at harvest time?

The Mobile Library operated by Northampton County Council visits Gayton on the second Friday of each month. It parks at Fiveways from **3.30 – 4.00pm**, and is well stocked with current fiction of all types, and includes children's books, large print books, audio books and DVDs.

BUT – the service includes many more items, use of which could save you a time-consuming trip to Northampton or Towcester.

You can buy - Cards including Christmas cards, Calendars, Puzzle books & Stamps

You can also - Apply for a bus pass, Renew your bus pass, Apply for a Blue Badge

This Mobile Library has been running for many years and is a valuable service to the community. Numbers of people using it recently have been dwindling and the fear is that the service may no longer be deemed viable if not used.

So USE IT or LOSE IT !!!

Tony & Elaine Footitt

Silver Anniversary

Tony and Elaine would like to thank their families and Gayton friends for joining them on Saturday the 29th of August to celebrate their Silver Wedding Anniversary.

Special thanks go to Reverend Hugh Kent for conducting the Renewal of Vows Service at St Marys. The ceremony meant a great deal to us and we were delighted to be able to share the occasion with so many of our new friends.

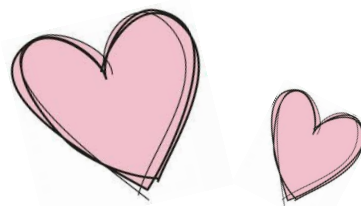

Thanks to everyone who came to the party afterwards to help us celebrate – we had an absolutely amazing day. We would like to sincerely thank everyone for their cards and gifts – we have been somewhat overwhelmed by your generosity and thoughtfulness.

We would also like to say thank you for the loan of all the garden furniture and equipment and to those who kindly put it up and took it down we salute you!

Moving to Gayton has been one of the best decisions we have made in the last 25 years – here's to the next 25!

With love, thanks and best wishes

Tony & Elaine

Gayton Village Hall Management Committee

It has been a quiet and uneventful summer regarding the Village Hall and the activities held within. There continues to be steady use of the Village Hall but not as busy as it could be. The major users in the past have been the table tennis teams playing out of Gayton Village Hall. The Table Tennis Season is just about to start and it is expected that the village hall will see regular use for two or three evenings per week from October to March. However, the day-time use is low. If planning an event/regular meeting please consider using your local village hall. There is usually availability, but please discuss your needs with our booking clerk, Joan Adams.

David Ayre

September 2015

Village Hall Hire Charges

The village hall can be hired from as little as £15 (from £11 for the committee room) for a wide range of social activities.

If you require the Hall for a Private Function then charges start at £60 – if alcohol is to be sold an appropriate licence will be required.

Further information about the village hall is available at

www.gayton-northants.co.uk/services/villagehall.html

Or contact Joan Adams 01604 859416 for bookings.

Gayton Open Gardens

The Open Gardens on Sunday 5th July were very successful. There were a number of first time visitors as well as those who had been before. In all we raised £942.56 for Gayton Church. Thank you to everyone who worked hard to make this such a successful village event - we couldn't have done it without you.

We hope to run Open Gardens again next year probably around the same time as this year.

If you would like to open your garden next year please let us know. Gardens don't have to be perfect, visitors come because they are interested in gardening and/or enjoy a cream tea!

Joy Ayre and Carol Coppock

The children have returned for a new school year which we hope will be full of exciting learning.

At the end of the last school year the school had an inspection, as we are a church school, by the Peterborough Diocese and it was very positive saying that the school is a beacon for the local community which is what we hoped we were. The final grading was good and the school are pleased with this outcome.

There have been changes to the school staff, Mrs Irwin left in July and we are pleased to welcome Mrs Hollis as the Executive Head teacher. She is currently the Executive Headteacher of the Forest CE Federation schools (Tiffield, Whittlebury and Stoke Bruerne) and Gayton will be able to work alongside these schools giving the pupils at Gayton lots of opportunities. Mrs Hollis is passionate about leading small village primary schools and the value that these hold within their communities. This is an exciting opportunity for Gayton School and we look forward to an exciting time ahead.

We also said goodbye to Mrs Lea class teacher in key stage 2 and Mrs Wheeler the teaching assistant who had been at the school for many years and who will be sadly missed by both pupils and parents.

Canal Boats and River Craft Gather at Northampton Festival of Water

Historic canal boats, narrow boats and river craft all gathered in the sunshine of Northampton and the bank of the river Nene was packed for a celebrity opening of the IWA Festival of Water over the Bank Holiday weekend in Becket's Park.

Celebrated actors and waterway ambassadors Timothy West and Prunella Scales opened the show, seen here in the picture, and enjoyed a special river cruise from Northampton Lock

upriver to explore the Westbridge Arm with a host of waterways enthusiasts and volunteers.

The party atmosphere was maintained throughout the weekend with highlights including youngsters trying their skills at bricklaying and digger driving with Waterway Recovery Group volunteers, demonstrations of boat handling skills in a huge variety of craft on the water by the Northampton Sea Cadets and a series of excellent and informative talks from renowned waterway personalities such as Tim Coghlan, David Blagrove and Liz Payne. The marquee in the park was packed to the seams all weekend as visitors to the show enjoyed local ales and fabulous musical entertainment.

IWA and WRG volunteers ensured everything ran smoothly and festival supporters, Northampton Borough Council, The Environment Agency and Canal & River Trust, as well as commercial sponsors, contributed to the organisation of the Festival and helped make the weekend a great success.

During the Festival Councillor Penny Flavell, Mayor of Northampton, handed over a ceremonial Tiller Pin to her counterpart Councillor Angela Underhill, Mayor of Walsall, on board the Crusader Community Boat which was offering public boat trips on the Nene. The Tiller Pin is the trophy awarded to the next town or city hosting the IWA's annual water based Festival. The Festival is set to be held in Pelsall on the Wyrley and Essington Canal, near Walsall, in 2016 over the August Bank Holiday weekend.

Celebrating the 200th Anniversary of the opening of the Northampton Arm in 1815, which linked the Grand Union Canal to Northampton and the Nene, IWA's Festival of Water 2015 showcased Northampton's waterside at its very best.

The event received excellent coverage from BBC Radio Northampton and BBC Three Counties (Beds, Herts & Bucks) Radio, ITV and the local press.

GAYTON EVERGREEN CLUB

The Evergreen Club committee aim to put on a variety of activities to suit members interests, mainly eating and chatting!

At the beginning of June we held a social afternoon with cream tea. To help keep our brain cells active we had a quiz, which Len Schofield kindly prepared. Much fun was had unraveling the cryptic clues. It was a very close run competition which went to a tie-break.

At the end of June a closely guarded secret was revealed – the destination of the Mystery Tour! On the day, the weather was perfect and members enjoyed an excursion through the villages around south-east Northamptonshire. The tour ended at Greens Norton where we enjoyed a delicious WI tea in the village hall.

In July we held our annual Strawberry Tea, which marks the “end of term” until we return in September.

In August we held a fund raising Coffee Morning to which members, guests and fellow villagers were invited. Once again this was a well attended event. There were a variety of stalls including cakes, bring and buy, tombola and a raffle with many tempting prizes. The morning raised £288.79 for club funds.

The money raised at the coffee morning goes towards supporting the club’s activities. We are also generously supported by the Gayton Alms Charities, for which we are very grateful.

There is a full programme of meetings twice a month. These are listed on the Gayton website.

Here are the meetings planned for the rest of the year

8th September Musical Entertainment by the Homestead Singers. Meet at 2.30pm in the village hall. Guests £3

22nd September Speaker Dusty Rhodes will give a talk on ‘Country Superstitions’ in the village hall at 2.30pm. Guests £2

15th October Lunch at the Lanes Restaurant at Northampton College
(members only)

27th October Bingo at 2.30pm in the village hall

12th November Outing to Roman Way Garden Centre

24th November Gail Stuart will give a humorous talk on ‘Morecambe Moments’ at 2.30pm in the village hall. Guests £3

3rd December Christmas Lunch (members only)

Gayton Evergreen Club warmly welcomes new members, who are 55 and over. Please contact Carol Coppock (859645), Jan Leeding (859275) or Manja Ronne (859253) for more information

St Mary the Virgin

Outside the normal business of services of worship, marriage, vow renewal etc, as is the case for many, the summer has been a period of relative quiet and calm. The fly in the ointment being the highly successful *Open Gardens* at the beginning of July, a very many thanks to all those who toiled away to make their private estates presentable and open to the masses, you all did Gayton proud, it was a great event. Theirs was not the only input however, we must not forget Sharon, Joy, Barry, Philip and all the others for providing teas and refreshments in the Church, running the bookstall and performing all the other tasks required to allow the event to run smoothly. Vital funds were raised for the PCC, much appreciated.

We currently anticipate the *Historic Churches Ride and Stride* fund raising event which takes place on the 12th and the Gala Concert on the 18th September, both

looming large on the calendar but slightly further afield, we would like to draw your attention and plead for you to take part in the Harvest Festival, Supper and Quiz, the latter

being on the 3rd of October. So please make a note in your diaries and of course try to drum up a team for what is always a great night and of course get in touch for details of how to get tickets.

On the Parochial front, should you need reminding, the regular communion services in Gayton remain at 9.30am on the 1st Sunday of the month and 11.00am on the 3rd Sunday, the latter taking the form of a Family Communion service and is aimed at being more “younger generation” friendly, so please come along to either or both.

If you have any concerns or questions regarding church matters by all means please contact the Church Wardens David Coppock (859645) and Andy Hartley (858360) or Rev Marion Reynolds at The Rectory, Church Street, Pattishall Tel: 01327 830573

The twelfth and final “Jazz In The Church” concert

This series of concerts was started in September 2007 with two aims in mind; as fund-raising events for Gayton Church Heritage Trust and to promote jazz.

All were organised and implemented by a small group of committed members of The Gayton Jazz Appreciation Society (now virtually extinct), GCHT and the Gayton Parochial Church Council.

For this final concert held on 17 July we hosted, for the third time, Greg Abate, a top-class saxophone and flute player on tour from the USA, who played for us with Tad Newton’s Jazz Friends on this occasion. These musicians provided some inventive and exciting solo and ensemble work, enjoyed by all, some of whom said it was “the best yet”.

Looking back, and hopefully without being too immodest, I believe we can claim success as the two original objectives were achieved; we raised £13880 for the church and hosted some excellent bands, including some of the finest jazzmen in the country.

We thank all those who contributed through their dedication and hard work and all those who attended the concerts.

John Shaw

Footnote: for those interested in local jazz events, I can recommend the Sunday lunchtime sessions at The Walnut Tree in Blisworth and the Thursday evening sessions at the Castle Studio Theatre in Wellingborough (usually Thursday evenings once or twice a month) - two excellent jazz venues.

Also the web-site which gives details of concerts throughout the county and beyond, as well as other jazz news: www.northantsjazz.co.uk.

I have made so very many friends and fans and have worked with and for so many great jazz players in the UK and have been to most cities and have experienced so very much!

'A few words from Greg Abate, now back in the USA following Jazz in the Church'

The concert at The Gayton Church in July was one of those moments in time for me! I have had the pleasure to be in concert there several times, not only with Tad Newton and Friends but in other group formats. The vibe in the church always sends me somewhere in my mind in journeys to the past, but here I am playing jazz where so much has happened before!

Regarding the audience, there is always a warm, attentive and appreciative aspect to the concert and I have so much appreciation for that and to have become friends with such wonderful people there.

Thank you Tad Newton and his Friends, Barry Steer, John Shaw and families and to all my fans out there in UK!

I'm a sentimentalist! Cheers! Greg Abate

GAYTON ALLOTMENTS

On a sunny Saturday afternoon at the beginning of July allotment holders gathered for a delicious barbecue.

After a summer with challenging weather the growing season is slowly coming to an end and it will soon be time for the AGM. This year the date is Saturday 14 November, with a start time of 10.30 am in the Village Hall Committee Room. All plot holders and their families are invited to attend. After the meeting tea and coffee, biscuits and cake will be served giving plot holders a chance to catch up with each other.

At the moment we have a few vacant plots of different sizes. If you are thinking of taking on a plot and would like more information, please contact the treasurer, Rose Metcalfe, on tel 07907 702969, or by email to treasurergaytonallotments@btinternet.com.

‘Thank you’

The family of Maurice Jeffery would like to express their sincere thanks to all their friends and neighbours for the heartfelt messages of condolence, cards and beautiful flowers received throughout Maurice’s illness and since he passed away.

We were overwhelmed by the number of people who attended the funeral service at St Marys church. Maurice would have been touched by the kindness of everyone.

A part of him will live on in the village through the gardens he constructed and the horticultural tips he passed on to enthusiastic gardeners.

Many thanks for your continuing support.

Joan & family

GAYTON COMPANION DOG SHOW 2015

Sunday 20th September 11am-4pm
Gayton Village Green

The first Gayton Companion Dog Show was held on 13th August 2005, and so this year marks the tenth anniversary. Come along and celebrate the 11th Gayton Companion Dog Show Sunday 20th September on the Village Green. As in recent years, all profits from the dog show entries will be donated to Gayton Church Heritage Trust. Judging will take place in two rings - one for pedigree and junior handling classes, and the other for the novelty classes. As has become tradition, there will be a special class to find Gayton's Best Dog, the winner of which will be awarded The John McCarthy Trophy for the year; and there is also The Michael East Shield awarded each year to the Best Junior Handler associated with the village. Both of these awards are open to crossbreed and pedigree dogs, so we would love to see as many local dogs as possible. Refreshments will be available through the day, served in the Village Hall.

Any offers of sponsorship or prize donations are, as always, gratefully accepted.

Additional and Special Church services on the horizon

- Sunday 4th October, 5.30pm, Harvest Festival.
- Sunday 1st November, 3.30pm, Commemoration of the Departed. In previous years this has been a really moving service for those who would like to remember departed relatives and friends. It also provides the opportunity for a social gathering as Pam Bird shall again be providing teas and a good range of fine cakes.
- Sunday 8th November, 5.30pm, Service of Remembrance.
- Sunday 13th December, 5.30pm, Service of Readings and Carols.

If you have any concerns or questions regarding church matters by all means please contact the Church Wardens David Coppock (859645) and Andy Hartley (858360) or Rev Marion Reynolds at The Rectory, Church Street, Pattishall Tel: 01327 830573

Gayton Neighbourhood Watch

Work is still continuing on the Gayton website. There is a very helpful calendar section. If you wish to add an event please contact myself (julie.a.wood@btinternet.com) or Jens Buus (jbuus@btinternet.com).

It is very important that we give as much information to the police as we can so that we can keep our village safe. Please contact 101 in the first instance, your call can remain anonymous if necessary. If it is an emergency then contact 999. For non urgent matters our Police Community Support Officer (PCSO), Jen Harrison, is contactable on 101 Ext 344275 or email jen.harrison@northants.police.uk. Also, there is of course CRIMESTOPPERS on 0800 555 111.

If you know of somebody moving in or out of your street please let your street warden know so that we can maintain our list of residents and the warden can approach the new resident to join the NHW.
