Welcome!

As if someone had flipped a switch in March, Spring well and truly sprung! With constant sunshine and temperatures soaring past 10°C, it's a welcome change—let's hope it lasts!

My honeybees are out foraging, having a sip of nectar and collecting pollen from Crocus, Snowdrops, Hazel and Willow catkins. However, their challenge is far from over and late “Beasts from the East” are a possibility!

If you're looking for fantastic live music, I highly recommend the events at The Eykyn Arms. While there's a great variety to enjoy, the Jazz & Blues nights truly stand out for me. Adam Whitmee's recent performance, with his outstanding vocals, was a real highlight! The bi-weekly Quiz continues to be a hit, and the very successful Pop Music Quiz, makes it's return on 19th March—so gather your team and put your knowledge to the test!

Meanwhile, the primary school children brought a touch of joy to the village with their thoughtful gifts of primroses and cards—a lovely gesture that was much appreciated.

On a more serious note, the Parish Council is developing a much-needed Neighbourhood Development Plan to shape our community's future. Look out for the questionnaire and be sure to share your thoughts!

Regards,

Colin Simmonds, Editor, Gayton News

Gayton Evergreen Club

We continue to warmly welcome new members to our monthly meetings for a coffee and a chat at the Eykyn Arms.

Karen and John do us proud, providing great hospitality. The mini cooked breakfast and the toasted teacakes are proving very popular.

There is no need to book and there is no subscription to pay just come along and enjoy the company!

At our December meeting, we celebrated Christmas with a Christmas Lunch.

The room was beautifully decorated, there were paper hats and crackers and a most delicious two-course lunch.

Some members even went so far as to say it was the best festive lunch they had ever had at a restaurant. We would like to thank the Gayton Alms Charity for their financial support in providing the lunch.

The dates of future Coffee and Chat Mornings for 2025 are:

Wednesday 12th March

Wednesday 9th April

Wednesday 14th May

Wednesday 11th June

Wednesday 9th July

Wednesday 13th August

All at the Eykyn Arms starting at 10.00am.

From the Rector

As I write this it is cold outside but, the sun is shining brightly and it is so easy to forget the grey, damp, rainy days we've been experiencing for so long recently and which make us feel so downhearted and miserable.

We are coming up to the season of Lent in the Christian calendar, the time when we remember Jesus spending a fairly long period of time alone in the desert region. Whilst not subject to the vagaries of the British weather, Jesus had his own weather problems in that desert - scorching hot days and freezing cold nights. And, no supermarket or convenience store to pop into for a bottle of water or a hot coffee or a snack bar!

Paul and I have visited that desert area and know for ourselves what the conditions are like (and we had water and snacks with us plus extra warm clothing). There are the occasional caves for shelter but the shifting sand and the wind which blows the sand around make orientation very difficult, not to mention the scorching sun relentless every day and no factor 50! Imagine

being out there alone for a day let alone a few weeks. No wonder Jesus was famished and probably dehydrated and victim of hallucinations at the end of it.

But, that period alone with God was just what Jesus needed before he really began his public ministry - time out! And it is just the same for us. We may not literally be in a desert but it can feel as if we are alone, in a desert that everything is conspiring against us to make life difficult. It is at times like these that we ask God to draw close to us; to revive us, to support us and give us the strength to carry on.

Yes, we do have to acknowledge our own faults and failings (other people are not usually the source of many of our problems) but God is a very forgiving God if we admit we are sorry for our wrongdoings, ask for His forgiveness and be determined to do our best not to make the same mistakes again.

That is Lent! And, what follows Lent? - the joy of Easter, and that's another story.

May God bless you this Lent.

A handwritten signature in black ink, appearing to read 'M. Minon', with a long horizontal line underneath.

A Neighbourhood Development Plan

April 26 – a Date for Your Diary

There will be a Village Meeting on Saturday 26th April (time to be announced) to explain why we are asking Residents to fill in a questionnaire about the future of the Parish.

The questionnaire is really important as the views of the residents must be at the heart of our Neighbourhood Development Plan.

Your feedback will allow us to understand where you think new houses, businesses and other amenities should go and what they will look like. It will also give you the opportunity to have your say on things you think important that fall outside the scope of the Development Plan.

During the meeting, you will be introduced to the team from Gayton that is leading the project. You will also meet Henry Spurrier the local landowner and Ed Dixon his advisor who will give a short presentation about their plans for the future of the Gayton Estate.

The team will explain how to fill in the questionnaire, preferably online as it is easier to compile the results but also in hard copy for those who prefer pen and paper. We will also explain where to drop off completed hard copy questionnaires once completed.

Questions will be invited from the floor so, if you have a pet project you would like to see taken forward, or you have questions for any of the presenters, there will be ample opportunity to air your views.

I think it's worth mentioning that there will be another meeting once we have the results of our survey so we can share our findings and outline what we intend to put in the plan.

Finally, if you'd like to get involved in some way, please get in contact with me at the following address.

carlhamiltonat5@gmail.com

Call or text 07547380907

***Councillor Carl Hamilton,
Chair Gayton Parish Council***

carl.hamilton@gaytonparishcouncil.gov.uk

Potholes!

Probably just like the rest of the county and indeed UK, the state of the village roads is becoming worse and worse! New potholes spring up and "repairs" fail in double quick time! You can do your bit by reporting them to West Northants Council using the Fix My Street website or App:

<https://www.fixmystreet.com/>

Litter Pick

Would someone be willing to take a lead on this long established and worthy twice-yearly ritual of village life? There are established volunteers and equipment, but we need someone to co-ordinate it. If you could, please contact the Parish Council.

Yoga in Gayton!

Yoga is back in the village!

My studio in the High Street is the venue.

I have a Monday morning class at 9.30am and a Thursday evening class at 6.30pm.

I also teach one to ones or one to two. If there's two of you who would like to practice together, contact me for details.

The yoga's I teach are suitable for everyone, classes are small, and beginners are welcome. For more information please see my website: - www.forgetmenotyoga.co.uk

My contact details are:-

Alex Ward – mobile 07739479077 email alex@forgetmenotyoga.co.uk

See you on the mat!

**APPLICANTS MUST BE RESIDENT IN THE PARISH
OF GAYTON.**

Allotment Musings....

The allotment site is a wonderful asset to the village. Visitors and newcomers are often amazed at what a beautiful area it is, home to a varied assortment of enthusiastic growers and opportunistic critters! I have visited a few allotment sites over the years and I think Gayton is my favourite. On most allotment sites the plots are individually fenced off but not here at Gayton, which makes it look like a one huge garden.

The site itself is only open to members of the Society but we do welcome potential new members, either Village Gardeners who might like to take advantage of the swop shop, BBQ, etc., or anyone interested in growing their own fruit and vegetables. There are 2 vacant plots available at the moment so if you think you might like to have a go please contact our Letting Agent, Carl Hamilton 07547 380907

To sow or not to sow, this is the question.....

I'm often asked at this time of year, *'have you sown anything yet?'* and the answer is nearly always yes, but every year I try not to sow too early and then invariably fail. As soon as a vaguely sunny day arrives, I'm down in my new shed sowing seeds that get lovingly tended indoors in the hope that the weather will warm up at some point.

I have been lucky enough to get a polytunnel, which is now in its second year, having survived the gales, which left one polytunnel in the hedge (not mine).

Last year in the polytunnel there were salad leaves, herbs, broad beans, spinach nearly all Winter, but this year has not been quite so successful. Every year is different and brings new challenges and surprises. It's always lovely to stop and chat with fellow growers and compare failures and successes, quite often learning some new tricks and tips as well as having a good laugh.

The soil at the allotment site is wonderful, being mainly iron stone, no clay, (unless you have a grandchild that likes digging to Australia) so it is good for growing anything and easy to dig. We attract growers from a lot of nearby villages because of the wonderful soil. And yet these pockets of iron stone soil are not as widespread as you might think. Someone at the end of Bugbrooke Road told me that their garden is clay and very hard to dig.

There are many ways to cultivate and such a variety of methods is visible on our allotment site: people who love to dig, rotovate, no-dig, raised beds, grass paths, no paths, meadows, flowers, ponds, orchards, all sorts of sheds and shacks and play areas!

This coming year we aim to hold the Annual Produce Show, a summer BBQ, and possibly a garden visit with lunch out. Who knows, I might win Biggest Caulie!!

If you would like to know more about our Society please contact me.

Hilary Glanville (Sec) hilaryglanville6@gmail.com

Saturday 15th March -9pm

Dee-ja Vu

Rock, Pop and Disco party covers band playing classic tracks for any event, venue or occasion.

Last Tuesday of Every Month 6:30pm

Jazz & Blues Night

Cliff Brown & Friends – With Cliff as the Guitarist bandleader for our monthly jazz, blues, swing & rock 'n' roll music night.

You can expect varied & beautiful sets from exceptional musicians, & guest artists.

Saturday 26th April - 9pm

All About Everything

Sensational female-fronted covers band. Brace yourself for a musical journey that spans genres and eras, delivering electrifying renditions of your favourite songs. With a powerhouse vocalist at the helm, each performance is a masterclass, seamlessly blending rock, pop, & everything in between.

Saturday 3rd May - 9pm

Mr Vegas**

A night of Rat Pack and Elvis with the King of Swing! Always a great night & a great crowd!

Saturday 24th May - 9pm

Mike Davids' Band

A dynamic and talented group who have been captivating audiences with their unique blend of rock, blues, and soul for over a decade.

Soulful vocals and masterful guitar skills, this band knows how to command the stage and connect with their audience.

Saturday 7th June - 9pm

Black Pig Band

By request of a Pub regular! Indie Rock covers and more: Nirvana, James, Eagles, U2, Oasis, Green Day & even Take That!

Calling all Gayton Gardeners!

Gayton Gardens have been opening to visitors since 2015. The Open Gardens is a community event, which celebrates the joy of gardening and eating cake!

This year the gardens will be open on Sunday 8th June from 1-5pm. Could you get involved? Gardens don't have to be perfect and size doesn't matter. There are other ways of contributing to the day such as baking cakes, serving teas in the church, helping with advertising and general organisation on the day.

Last year there was a plant stall selling ornamental plants, vegetable seedlings and ornamental pots, which was very popular. Donations would be most welcome as would volunteers to run the stall.

If you think you would be able to help, please contact Joy or Carol, (contact details below.)

Why not check out photographs of the gardens open last year on the Gayton Website, gayton-northants.co.uk and click on Gayton Gallery.

We have been very busy here at Gayton Primary School since the last Gayton News!

In the lead up to Remembrance Day the children had been learning all about World War 1 and why we wear poppies. To commemorate the signing of the Armistice and to honour and remember all those who gave their lives in service to their country since 1914, we finished with a 2-minute silence on the playground.

Our children in class 1 have been learning all about Toys throughout the years. As part of their topic, we had a visit from Abington Park Museum who brought along with them a large selection of toys, which the children then got to play with - the children found it very funny that some were our childhood toys!

A Big Well Done to Our Talented Stars!

What a truly magical evening we had at our nativity performance! A massive congratulation to all the children who shone on stage, showcasing their incredible talent and hard work. Your dedication and enthusiasm brought the spirit of Christmas to life!

We couldn't have done it without the amazing support from our grown-ups. Thank you for coming along to cheer on our little performers! Your encouragement means the world to our school community.

Our class 2 and 3 children are very lucky to be participating in a 10 week Ukulele Music Project with NMPAT. The children are all really enjoying their sessions and we are looking forward to them performing their concert for us all at the end of the project.

-> -> ->

Recently, some of our incredible Class 3 children had the fantastic opportunity to attend the Loughborough Lightning vs Gloucester-Hartpury rugby match at Franklin's Gardens!

A massive thank you to [Northampton Saints](#) for making this experience possible.

Not only did our children enjoy an exhilarating match, but they also received a signed jersey, which we can't wait to display in school!

But that's not all! In anticipation of the Women's Rugby World Cup 2025, we will be diving into some COOL Jobs that celebrate this thrilling sport and foster our children's passion for rugby!

Our children in year 3 recently took part in the Forest Federation Football Tournament.

All five of our year 3 Federation classes came together for a fantastic fun filled day and to top their day off our children won the tournament and brought home the Federation Trophy.

Well done year 3, we are all very proud of you!

>>> Continued

We are over the moon to share the wonderful experience of our Class 3 pupils.

Our little ones from Reception to Year 6 crafted beautiful postcards of Kindness and Years 5 and 6 enjoyed planting primroses.

Class 3 took the time on Valentine's Day to deliver the post cards and lovely primroses to residents in Gayton Village.

The excitement was palpable as the children set off, eager to bring smiles and brighten the day for our neighbours.

It was a joyous sight to see them interacting with members of the community, spreading love and positivity.

We're so proud of our children for showing that even the smallest acts of kindness can make a big difference! Thank you, Gayton, for welcoming our young ambassadors with open arms!

Bev Tyler-Bedford

bursar@gayton-ce.northants-ecl.gov.uk

And a response from one recipient!

"We were very touched this morning to be visited by children and staff of Gayton School and to be handed this wonderful Valentines card and primroses.

It was such a wonderful thoughtful thing to do and you made this elderly couple very happy. The hand drawn picture is delightful and it will be prominently displayed on our fridge door to remind us of your visit.

Thank you so much, children and staff of Gayton School.

Very best wishes! Wendy and Barry 📧❤️📧"

Millennium Spinney

The Spinney Working Group had a second & very successful Hazel Coppicing Day at the end of November and this time I managed to rustle up a few more volunteers so it was not just Catherine & myself; we split into 2 groups and coppiced 2 more of our Hazel trees. By the end of the day, (and it was getting rather dark by the time we finished) we had some tired volunteers and 2 beautifully coppiced trees with their protective nests around them; we had harvested over 60 stakes and binders for the Canal & River Trust, some more thinner pop poles for the Allotmenters and some firewood for the villagers.

The Canal & River Trust volunteers have recently been very busy hedge-laying along the Northampton Arm of the Grand Union Canal between Bridges No.4 & 5 using the stakes & binders coppiced from our Hazels.

Today I was hoping to catch the volunteers actually hedge-laying but they were busy shredding all the old branches they have cut from the hedge to rejuvenate it but I did get a photo of their most recent hedge-laying achievements. It was very nice to meet some of the volunteers who have been using the wood from our hazels to do the hedge-laying; and in return they were very pleased to hear there will be more Hazel available from our Millennium Spinney later in the year.

If they help us coppice the Hazels, we'll provide them with the stakes & binders they need for their hedge-laying.

So there will be more Coppicing Days to be arranged later in the year where you can come along and join in if you want to, or simply pop along and watch some traditional woodland management in your own local Spinney.

The Hibernaculum is looking good in the Spring sunshine. Our plan for the Hibernaculum over the next few weeks is to purchase & plant out lots of native wildflowers from Blisworth WildFlowers Nursery.

As the weather improves, there will no doubt be more jobs to do around the Spinney, spreading wood chippings to maintain the paths, clearing the ivy from the hazels & tidying up some of the fallen branches throughout the Spinney.

Spinney Working Group
A Working Group of Gayton Parish Council

Walkers Group

The weather seems to have schemed against us over the winter! December's walk was Cancelled due to heavy rain & high winds and then the traditional New Year's Day "beating of the bounds" walk was Postponed due to very high winds!

However, on the 2nd Jan, we did the very enjoyable 2½-mile Local walk (RL1 & RL2 footpaths), out from Park Lane to the Lightning

Tree, down to the canal and East along it to the road bridge and up the hill for Wrights Lane. Then right turn onto the field boundary to make the climb back up to Park Lane and a return to The Eykyn for a well-earned pint!

We did much better on a frozen day later in January, doing a quite long 5.6-mile walk over the low hills beside Pitsford Reservoir and back along the very icy perimeter path to Holcot for a chilly pint in the Swan.

For February's walk, I was asked to reign the distance in a bit, and a good sized group of us enjoyed the 3.6-mile loop from Little to Great Brington, along the Althorpe Coach Lane and then back over the tops to The Saracen's Head where some of the group enjoyed a light lunch. I enjoyed a pint of Timothy Taylor Boltmaker!

I was asked recently if Dogs and their owners were welcome on our walks and the answer is a definite Yes! Past and present members have dogs and as long as they socialise OK and they are on a lead when in animal pastures then they are very welcome.

Please come and join us!

Colin, walks@gayton-northants.co.uk
