

Gayton C of E Primary School

As we begin another academic year, we are really pleased to welcome families both old and new to our school.

Our new reception children have already settled into life in our little school – Miss Hillier is super proud of them.

Moving up in school, Mrs Boulton and Mrs Whitbread have loved having our new Key Stage 2 children in their class, the work and maturity they have shown already has been fabulous.

Mr McLoughlin and his Year 6 children enjoyed a very exciting beginning to the term – a week's residential to Willersey Castle! From kayaking to fencing and hill walks to rifle shooting, the children (and teachers!) have had a brilliant time.

Looking forward, we're excited to welcoming the village into school for our MacMillan coffee morning on 29th September from 8.30am. Furthermore, we have our Harvest Festival planned for 10th October at St Mary's Church, too.

We are currently welcoming parents to look round our school for next year's reception intake, if you wish to book an appointment, please do call the school office on 01604 858749.
